CALL FOR PARTICIPATION

Annual Student Research Forum showcases the quality and diversity of student research in our College. We would like to take this opportunity to invite all undergraduate and graduate students as well as their mentors to participate by giving a ten-minute oral

presentation, by presenting a research poster, or both.

Abstracts are due Monday, April 21 by 5:00 PM to Dr. Urska Cvek (ucvek@lsus.edu) in electronic form or in hard copy form (TC 206 or SC224). Electronic submissions are encouraged. Submission forms are available from: sun.cs.lsus.edu/symposium
